

10 The building shall not be used for dwelling purposes. Needful provision will be made for drawing electric power in the kitchen. Electric cooking ranges should be installed by the tenderer. He should put the necessary platforms and lead the smoke to the chimney.

11 The proprietor shall employ properly clothed and trained attendants and should be bound to supply clean and wholesome preparations. The equipment of furniture will be on lines approved by Government.

12 The successful tenderer should execute an agreement on a stamp paper in favour of the Executive Engineer to fulfil the conditions prescribed hereunder or any other condition prescribed by the Executive Engineer within three days after the tender is accepted, failing which his tender will be cancelled and the earnest money will be forfeited to Government and the tenderer will be legally responsible for any loss to Government.

Tenders are to be submitted only in prescribed forms which can be had from this Office and Electrical Sub-Division Office at Davangere or from Offices of Senior Operators, or Operators, Power and Lighting, Davangere, Channagiri, Chikmagalur, Kadur, Birur, Lingadahalli (Tarikere Taluk), Ajjampur and Tarikere for the respective works on payment of four annas per form for each work for being tendered separately in separate sealed covers.

Earnest money should be paid in cash to this office or in any of the Offices of Power and Lighting of Electrical Department and the receipt for the amount attached to the tender. No cheques will be accepted. No deposit is to be paid directly to the Treasury. Tenders received without earnest money deposit will not be considered.

Copies of the estimate, drawings and plans can be had for inspection in this office.

Quantities given in the schedule are approximate and drawings tentative only and are liable to alterations.

Cement and steel will be supplied by the Department at the Departmental Stores at control rate plus 15 per cent incidental charges.

The Department does not undertake to supply lorries. The contractor has to make his own arrangements for water supply, transportation of materials, etc.

The contractor should himself pay royalties, sales-tax or any other tax that may be prescribed by the Government from time to time.

For non-tendered items, the minimum schedule of rates will be given if the items should be scheduled items. The successful contractors shall be bound by the conditions of schedule of contract of the Electrical Department.

Refund of earnest money of unsuccessful tenders will be arranged through the respective offices through which the amount was originally remitted.

No conditional clause will be accepted.

Rates need not be quoted for items for which lumpsum provisions are made and the rates quoted for such items will not be considered.

The successful contractor should bind himself to abide by the Departmental rules in force and execute the necessary agreement on receipt of intimation of acceptance of his tender.
